

**Ascension Academy
School Activities Policy
August 1, 2001**

The following sets forth a policy for student participation and cost for extracurricular and school sanctioned athletic activities at Ascension Academy. The principal will implement these policies upon their adoption by the Board of Directors of Ascension Academy.

School Funded Activities

1. Ascension Academy, in an effort to promote its mission, will pay all fees necessary for a student to participate in school sanctioned activities. However, the student may be expected to pay for uniforms and/or equipment depending on the chosen activity. Decisions and policies regarding student payment for uniforms and equipment will be made independently for each activity and will be reviewed each year by the President.

2. School sanctioned athletic activities and teams include:

- Volleyball
- Basketball
- Softball
- Baseball

3. School sanctioned extracurricular activities at Ascension Academy include, but are not limited to, the following:

- Choir
- Strings / Orchestra
- Drama
- Art
- Academic Competitions

Extracurricular Activities

1. Students will be offered the extracurricular activities listed below. If enough students sign up to form teams, parents will be expected to pay fees associated with their participation. These costs will be made available to students and their parents before beginning the activities. Payment will be required prior to participation.

2. Extracurricular activities at Ascension Academy include, but are not limited to, the following:

- Soccer
- Golf
- Tennis
- Swimming
- Cheer Leading / Cheernastics

If other activities are added during the course of the year, at the discretion of the President they may be considered non-sanctioned extracurricular activities.
